The Landlord or Landlady  
The Green Man Public House  
Little Chadwick

Dear Sir or Madam,

As you may be aware, the Little Chadwick Cricket Club has been sponsored since 1983 by Fairman UK, one of the village's leading employers. Because of a change in their policy on such sponsorship deals, they have recently informed us that they will be unable to continue with this arrangement next season.

We are therefore looking for a new sponsor and would be delighted if one of the pubs in Little Chadwick were to come forward.

As well as offering free advertising in our programmes, we would undertake to utilise your pub as much as possible after the matches and practice sessions (you will be aware that the Club has not really had a proper base since the Sisters of the New Dawn overran our pavilion and torched it).

Obviously, we will be grateful for any amount you can spare us but, to give you an idea, Fairman gave us £800 for last season.

At the risk of sounding mercenary, we will probably have to sell our stumps to the highest bidder. If you think the Green Man can help, could you possibly send an email with an indication of how much you would be prepared to give us?

Many thanks.

Yours faithfully,

Blake Devonshire  
Club Secretary
